ABOUT THE HOUSE

01

01
Earth honed terrazzo

Fibonacci Stone's Earth tiles feature rich colours and are composed of about 75 percent river stone aggregate and 25 percent Portland cement – pictured in a honed finish. fibonaccistone.com.au

04

05

02

02
BoB/WoW collection

Made of fine porcelain, the sophisticated eight-piece BoB/WoW dinnerware collection features beautifully understated textural patterns and is available in black or white. noritake.com.au

03

03
Amerindia fabric collection

Osborne and Little's colourful Amerindia woven fabric collection was inspired by the artistry of Native American tribes. senecatextiles.com

04
Tribu Branch collection

The organic nature of tree limbs was the inspiration behind Tribu's Branch collection, designed by Lievore Altherr Molina. coshliving.com.au

05
Talisman carpet

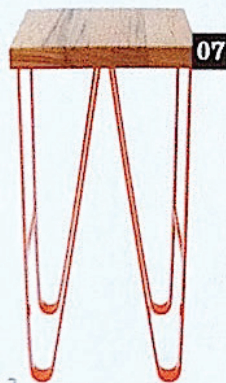

Geometric patterns characterize the design of this cowhide carpet, Talisman, pictured in 'Natural Shadow' and also available in 'Funky Orange' and 'Jungle Green.' limitededition.be/en

06

06
Mollino Executive

The strong angle of Mollino Executive's legs creates a dynamic effect, which is complemented by the lineal grain of the quarter-sawn oak. tidedesign.com.au

07

07
Otway stool

The quirky legs on the new Otway stool are available in a range of colours, their gentle curves a nod to the tumbling hills that meet the sea along the Great Ocean Road. brownanddogfurniture.com

08
Comback chair

Kartell's Comback chair is a contemporary take by Patricia Urquiola on the eighteenth-century Windsor Comb Back chair, available in Swivel, Sled, Wooden (pictured) and Rocking versions. spacefurniture.com.au
